JUST 20 MILES

Roger Dalphond of St. Albert doesn't

believe in going 200 miles to shoot geese. These nice plump geese were shot within 20 miles of St. Albert, at Egg

Lake, near Morinville. This just goes to prove that 'distant fields are not always greener'.

DO WE NEED ELECTIONS?

In our issue of October 6, 1962, we wrote in an editorial regarding September 26, 1962, which was the nomination day for the vacancies on both St. Albert School Boards. We complained that such an important day was insufficiently advertised so that our citizens didn't have a fair chance to be reminded of their democratic rights in our country. We expressed the wish that future elections show promotion of nomination day by those public bodies

and their members who are directly involved in the results of such elections. Today is another nomination day for vacancies in Council and School Boards, and again the advertising for this most important day was more than insufficient. Only a few posters were placed on poles and in stores, which means that 90% of our residents knew nothing of this. How can we expect an honest and democratic election if the basis for it (nomination day) was so poorly advertised? The poster didn't even mention how many vacancie

had to be filled for council and school boards. It is our task to protect the democratic rights of our citizens, which is the reason that we once again hope that the next nomination day will be published by the town officials far in advance, so that each citizen can fulfil his democratic duty by discussing this matter with his fellow citizens. Do we need town elections? Yes. But such an election is worthless if the preliminaries (nomination day) are neglected.

SEPARATE SCHOOLBOARD

At a meeting of the Separate School Board held last Thursday, a resolution was adopted to approve school planning in Grandin Park and Sturgeon Heights.

This planning calls for the construction of stage 1 of an elementary school in Sturgeon Heights, comprising eight classrooms and auxiliary facilities in the first stage. In the Grandin Park area eighteen classrooms and auxiliary facilities have been called for in a further stage development.

The nine page brief placed before the Board shows that the estimates contained in the 1960-1965 planning are reasonably accurate. For example the estimate for September 1962 was 748, the actual turned out to be 758. The figures for 1963 were 1,036 estimated, 1,093 actual.

A further five year plan for the same period 1963-1968 was presented. This plan uses the same basis of estimating corrected slightly with the experience of the past three years. This estimate indicates that 50% of the proposed additional space will be required next September and 100% occupancy of all facilities both existing and proposed in September 1965.

The Board will proceed immediately in an endeavour to obtain the approval of

During the dark days following the change from New Town to Town, the St. Albert Civic Electors Association was formed to bring all the citizens together politically for the purpose of promoting unity in the civil field. This was a splendid idea, we ourselves became a member, and the councillors representing this Civic Electors Association generally did a good job. Nevertheless, it could be questionable if a council consisting of only one political organization is the best for St. Albert at present. We mean that a certain amount of opposition, especially in regards to the recent financial probings, could be necessary. So many of us are convinced that a one-party government without opposition in Alberta is not the best way to govern a province and we should ask ourselves if St. Albert wouldn't be better off if Council consisted of more than one political party. This coming year our Council has to make so many important decisions, especially in the financial field, that the voice of opposition in Council would not harm at all.

CIVIC ELECTORS MEETING

The annual General Meeting of the St. Albert Civic Electors Association was held in the St. Albert Community Hall on Monday, September 23rd.

The chairman and treasurer's reports were submitted and approved.

Mr. Ed Powell and Mr. Richard Fowler were the successful nominees to contest the seats in the forthcoming municipal election slated for Wednesday, October 16th.

The new executive of the Civic Electors Association chosen at this meeting includes: President - Mr. Wm. Soprovich, Vice-President - Mr. Morley Brown, Secretary - Mrs. Frank Dolphin, and four directors: Mr. V. Maloney, Mr. D. McGee, Mr. G. Voyer and Mr. F. Kelly.

OFFICIAL OPENING

BONAVENTURE MOTOR HOTEL
ST. ALBERT TRAIL

Now officially open, the Bonaventure Motor Hotel seems designed for the sole purpose of ooh! and ahh! Of course, the real purpose is to give its guest the best possible accommodation, food and service. The largest hotel site in Edmonton, it provides parking for over 600 cars, which will increase to 700 when the adjoining shopping centre is open. Mr. Sheckter, president, notes the site was chosen to supply a first quality hotel on the route to the north; famous in the gold rush days as the trail of '98! The name 'Bonaventure' was chosen to make best use of the district's French history as is most of the decor in the hotel. Pioneer and Eskimo murals grace the walls from foyer to cocktail lounge.

The room capacity of the hotel itself is 40. Men's and mixed parlors look like cocktail lounges. The coffee shop, dining room and banquet hall provide food fare to please any appetite. The banquet hall is situated on the main floor. It has a capacity of 500, but

Gazette reporter, Mrs. Merle Vacirca, during her interview with the staff of the new Bonaventure Motor Hotel. Left to right, President Mr. Joseph Sheckter, Host-Chef Mr. S. Lukas and Mrs. Vacirca.

for smaller parties portable fiberglass walls can divide it into three separate sound-proof areas. Each 'banquet room' has its own entrance and three service kitchens facilitate the fastest service of hot food in Edmonton. Whether for 50 or 500, the menu choice is excellent and you pay only for the food, the banquet hall is provided at no extra charge. The north wall of the banquet hall is completely glass and overlooks the outdoor barbecue pit and swimming pool. The streamlined, air-conditioned kitchen is as up-to-date as tomorrow. The most modern equipment available is conveniently arranged for swift and easy food preparation. A walk-in cooler and freezer assure safe dependable foods. Chef, Mr. Siegfried Lukas and his staff are as efficient as a Swiss clock!

The crisp red and white candy stripe of the Bonaventure coffee shop, accented by wrought iron lantern poles, provides the right atmosphere for coffee breaks and lunches. A full course meal is also available, a la carte. Seating 60 persons it is so designed that even at its busiest, its spacious freshness is retained. The waitresses reflect the pleasant eager to serve attitude of the whole management and staff.

For more luxurious dining, the carpeted dining room with its French flavor in decor and menu, will accommodate 110 persons. Here, the menu boasts such delicacies as deep sea shrimp, Australian lobster tail and crème de menthe parfait. In surroundings of soft, muted pastels, there's an air of relaxed, gracious dining to rival the best anywhere. Robert Service's "Spell of the Yukon" must have inspired the theme for the Bonaventure cocktail bar. Northern lights play on one wall while the strange light that glows inside an igloo is imitated artfully on another. Both literally and, as the beatniks say, "Real cool"!

When it comes to food, everyone fits into one of two categories; those who eat to live and those who live to eat. Mr. Seigred Lukas, Host-Chef of the Bonaventure Motor Hotel, can definitely give the latter group something to live for. Those who take 3 square a day as a matter of fact have an exciting experience awaiting them in the Bonaventure dining room. Specializing in charcoal broiling and barbecuing, their chicken, ribs and steak are sure to please even the most discriminating gourmet. The seafood is not in the least second to these. From the appetizer to the fragrant coffee, dining at the Bonaventure is truly good food at its ultimate. Mr. Lukas comes to the Bonaventure with a long list of laurels. At last year's Canadian Restaurant Association Food

Chef-host of the Bonaventure shows Merle Vacirca a cake done completely in almond paste, during a recent tour of his kitchen.

"It looks good enough to eat."

Festival, he walked away with trophies in four of six categories, including first in the overall class. A native of Bavaria, he trained four years in a European school for chefs. Considered one of Western Canada's finest chefs, he doesn't just enjoy cooking, he is as devoted to his 'art' as a painter is to his.

Mr. Lukas points out that atmosphere has tremendous influence on good food. He is especially proud of the Bonaventure dining room which has a strong French influence in its decor blended with the district's French background by the use of pioneer wagon wheels and motifs. This beautiful decor and excellent service, so stressed by all of his staff, can whet even the most indolent appetite. They cater to children with half-orders so the whole family can enjoy dining out. Mother will especially enjoy giving Mr. Lukas her job for an evening. Once you dine at the Bonaventure it is sure to become a pleasant habit.

**LOUISE MORIN
WINS SCHOLARSHIP**

The Alberta Hotel Association recently awarded a five hundred dollar scholarship to Louise Morin of St. Albert. Mr. N. Kalynchuk, owner of the Bruin Inn, presented the award on behalf of the A.H.A. Eighteen year old Louise is the youngest of the eight children of Mr. & Mrs. P. E. Morin, 4 Birch Drive. She won the award for academic achievement when taking her grade twelve at the Academy of Assumption. The scholarship stipulates that she continue her education at the university level. Louise is doing just that, she has enrolled in first year Education at St. John's College, an affiliate college of the University of Alberta. For the first two years of her course, she will specialize in French. She sets her sights on a teaching career, possibly in biological sciences. Certainly her current achievement indicates that she will surely succeed.

"Best wishes for further success and further scholarships!"

Situated on the main floor, the banquet hall boasts a capacity of 500. For smaller parties, portable fiberglass walls can divide it into three separate sound-proof areas. Each 'banquet room' has its own entrance, and three service kitchens facilitate the fastest service of hot food in Edmonton. Whether for 50 or 500, the menu choice is excellent and you pay only for the food, the banquet hall is provided at no extra charge. The north wall of the banquet hall is completely glass and overlooks the outdoor barbecue pit and swimming pool.

The Kitchen

The streamlined, air conditioned kitchen is as up-to-date as tomorrow. The most modern equipment available is conveniently arranged for swift and easy food preparation. A walk-in cooler and freezer assure safe dependable foods.

EVENING CLASSES

The St. Albert Protestant Separate School District is offering evening classes in Conversational French and Mathematics 30 under its Adult Education Program. Registration will take place on Monday, September 30th in the Paul Kane High School at 7:30 p.m. Adults interested in instruction in Conversational French are requested to register in the "Language Lab" located on the first floor. Those interested in Mathematics 30 will register in Room No. 2. Both rooms are most easily approached through the north entrance to the building. The tuition fee for each of these courses is \$25.00, payable at the time of registration. For this fee instruction will be provided two hours an evening, one evening a week, for twenty-four weeks.

Mathematics 30 will be taught by Mr. Ted Nemirsky. Instruction in this course will be directed toward preparation for the June Departmental Examination in Mathematics 30.

Conversational French, taught by Miss Margot Steinke, is a general interest, non-examination course, which emphasizes the spoken language. The course will make extensive use of the Language Lab approach to teaching a foreign language. Parents and friends of District pupils are reminded that Awards Night will be held on Wednesday, September 25th at Sir Alexander Mackenzie School, and on Thursday, September 26th at Sir George Simpson School.
